

99% of the 181 Syrians interviewed by MMC in Tunisia had transited through at least one country before reaching Tunisia. The most common route described involved passing through Egypt and Libya.

Francesco Teo Ficcarelli, MMC

62% of the 181 Syrians interviewed by MMC in Tunisia declared not having reached the end of their journey, intending to travel to Europe or North America

Francesco Teo Ficarelli, MMC

“
I thought that my
emigration in the
Arab countries
would be easy, but I
suffered a lot
during the trip [from
Damascus to
Tunisia]

A Syrian man, Sfax, May 2021

”
